Hello Russ and Dave,

I have been swamped with a few other projects and that is why you have not heard from me. I have not forgotten about Westinghouse and the information sent by Dave. Please check your calendars for a possible call on Friday April 27. I am currently available anytime on Friday April 27 after 7 am but before 2:30 pm San Francisco time. I will be sending input on what Dave sent before the call on Friday.

My Manager is Steve Armann. Please feel free to call him at 415.972.3352 or email him at [Armann.steve@epa.gov](mailto:Armann.steve@epa.gov).

Thank you for your courtesies.

Best,

Carmen, Dave and I have emailed you and left phone messages over the last couple of months. Are you still out there? If I don't hear from you in the next day or so. I will call your boss.

Hope to hear from you soon.
